[EPA Comments BDCP 3rdNO 051409.pdf](#)

Hi Everyone,

We'd like to get together to begin discussing the CWA permitting process for the Delta Conveyance Project element in the Bay Delta Conservation Plan. A proposed agenda is below, please make changes as you see necessary. I've also attached EPA's scoping comments on the 3rd BDCP Notice of Intent.

Agenda

- I. Introductions
- II. Delta Conveyance Project CWA Section 404 process (EPA)
- III. Delta Conveyance Project CWA Section 401 Cert procedure (State Board)
- IV. State Board re-evaluation of Delta Outflow Criteria (State Board)
- V. Relationship of 404, 401, and Delta Outflow Criteria to HCP effects analysis and BDCP schedule
- VI. Next steps
